Early in the afternoon the cadets realized that the cause was hopeless, as no news had come of the expected relief and their ammunition was nearly exhausted. Many of the cadets were paroted after the surrender of the Winter Palace last week and the the hands of the Bolshevikl. In taking the Exchange, the cadets

had captured M. Antonoff, the Assistant Minister of War, whom they held prisoner.

Panic soon seized the defenders. The officers in desperation cut the buttons and insignia from their uniforms, while others discarded and attired themselves in garments of linen. Telephone calls were sent in every direction, asking for help. Finally, M. Antonoff and Mr. Will-

iams were sent to parley with the Bolsheviki, who gave their word that the men would be spared if they surrendered. The cadets were led out and delivered to the victors.

The telephone operators became excited during the fighting, but forces and were fairly well armed many remained at their posts with both rifles and machine guns. throughout the firing. Miss Beatty cheered and encouraged the more timorous girls and assisted in treating the wounds of the military cadets who had been shot by the Bol-
